BRAND INTRODUCTION

Intelligence, Designed Around You.

Founded in **Gandhinagar in 2021**, **AIROMOTION** began with a focus on electronics R&D and manufacturing. Today, we bring that foundation into intelligent spaces through connected **automation**, **smart security**, and **energy management solutions**.

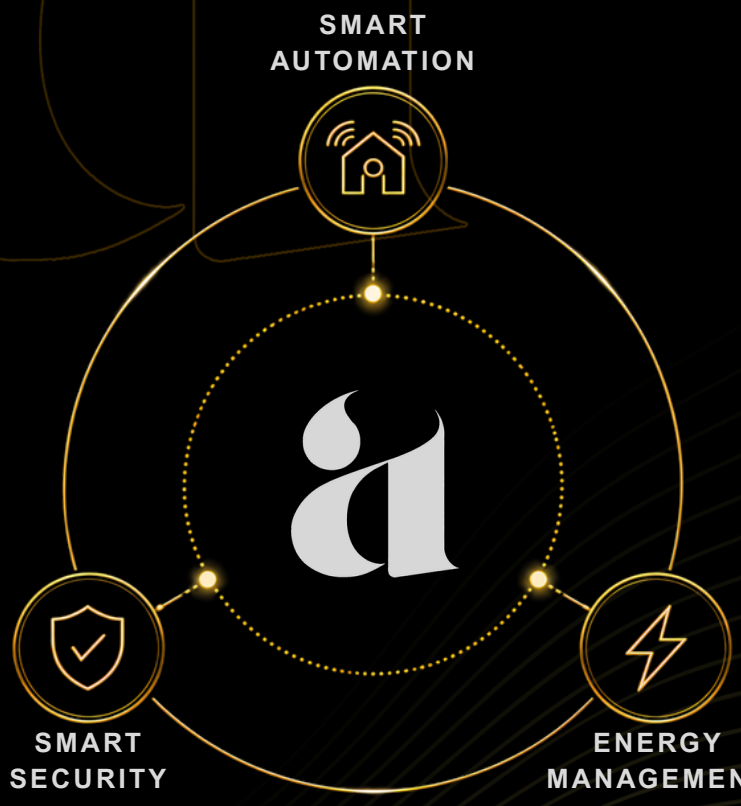
From **smart switches**, **sensors**, and **curtain automation** to **integrated IoT solutions**, **AIROMOTION** creates technology designed to make spaces more comfortable, secure, efficient, and effortless.

THE AIROMOTION ECOSYSTEM

Three Solutions, One Intelligent Ecosystem.

AIROMOTION brings together three powerful solutions — **Smart Automation**, **Smart Security**, and **Energy Management** — into one unified ecosystem. Each solution is designed to work seamlessly with the others, creating intelligent spaces that are connected, responsive, and future-ready.

Individually advanced. Together, exceptional. Experience the power of integrated technology that adapts to you.



SMART AUTOMATION

Intelligent Control, Seamless Living.

Smart Automation by **AIROMOTION** brings everything in your space under intelligent control. From lighting and climate to shading and appliances, our solutions work together to automate your daily routines with ease precision.

Designed to adapt to you lifestyle, our automation solutions deliver comfort, convenience, energy efficiency, and a truly connected experience.

SMART AUTOMATION

Complete Solutions for Every Space.

AIROMOTION Smart Automation offers a complete range of intelligent products designed to bring comfort, convenience, and control to every corner of your space

OUR SMART AUTOMATIONS

SWITCHES
Smart Touch Switches
Smart Control Panel
Retrofit Switches Module

LIGHTING
Smart LED Panel
Ambient Strip Light
Smart Downlights
Track Spot Lights

SENSORS
Motion Sensor
Door/Window Sensor
Smoke Detector
Water/Gas Leak Sensor

SHADING
Smart Blinds
Motorized Shades
Smart Shutters

CURTAIN DRIVER
Curtain Motor
Curtain Driver Module
Smart Curtain Control

HUB
Smart Hub

SWITCHES

TOUCH SWITCHES

- **Modules**: 2, 4, 6, 8, 12 & 16
- **Control**: Touch Automation
- **Finish**: Custom Color Options
- **Application**: Lighting & Connected Devices

SMART TOUCH PANEL

- **Mounting**: Wall Mounted
- **Interface**: High-Quality Touch Display
- **Control**: Lighting, Climate & Scenes
- **Functions**: Lights, Fans, Curtains & Scenes

RETROFIT SWITCHES

- **Input**:100-240V AC, 50/60Hz
- **Maximum Load**: 10A / Gang
- **Wireless**: Wi-Fi 2.4Hz
- **Compliance**: CE & RoHS
- **Installation**: Behind Existing Switch

SMART AUTOMATION

LIGHTING

SMART LED PANEL

- **Colours:** Up to 16M colours
- **Control:** Voice control
- **Efficiency:** Up to 60% energy saving
- **Features:** Smart dimming & scenes

AMBIENT STRIP LIGHTS

- **Colour:** RGB+W
- **Sync:** Music sync
- **Control:** App control
- **Protection:** IP67 waterproof

SMART DOWNLIGHTS

- **Colour** Temperature: Warm to cool
- **Dimming:** Auto sunset dimming
- **Scenes:** Scene grouping
- **Control:** Alexa ready

LIGHTING

TRACK SPOT LIGHT

- **Beam Control:** Adjustable direction
- **Dimming:** App controlled
- **Scenes:** Programmable presets
- **Application:** Directional focal lighting

LED BULB & STRIP LIGHT

- **Brightness:** Dimmable output
- **Colour Temperature:** Warm to cool
- **Control:** App & voice control

SMART AUTOMATION

SENSORS

MOTION SENSOR

- **Detection:** 120° coverage
- **Filter:** Pet immune
- **Power:** Long battery life
- **Automation:** Trigger enabled

DOOR / WINDOW SENSOR

- **Alerts:** Instant alerts
- **Power:** Battery powered
- **Design:** Compact design
- **Automation:** Scene triggers

ENVIRONMENT SENSOR

- **Monitoring:** Temperature & humidity
- **Air Quality:** Air quality AQI
- **CO_2:** CO_2 monitor
- **Automation:** Auto AC trigger

SENSORS

PRESENCE SENSOR

- **Technology:** 60 GHz mmWave
- **Detection:** Micro-motion sensing
- **Coverage:** Configurable zones
- **Application:** Precise occupancy detection

VIBRATION SENSOR

- **Sensing:** Tri-axis vibration
- **Sensitivity:** Adjustable
- **Power:** Long-life battery
- **Application:** Impact & movement detection

WATER LEAK SENSOR

- **Detection:** Conductive probe
- **Alerts:** Instant app alert
- **Power:** Battery powered
- **Application:** Early leak detection

SENSORS

SMART GAS DETECTOR

- **Detection:** LPG & natural gas
- **Alerts:** Audible & app alert
- **Status:** Self-test indicator
- **Application:** Gas leak warning

SMOKE DETECTOR

- **Sensor Type:** Photoelectric
- **Alerts:** Siren & app alert
- **Power:** Long-life battery
- **Application:** Early smoke detection

HUB

HUB CONTROLLER

- **Connectivity:** Ethernet & Wi-Fi
- **Automation:** Local processing
- **Integration:** Multi-protocol hub
- **Function:** Central control for smart automation

SHADING

CURTAIN CONTROLLER

- **Variants: Lite, Deluxe & Premium**
- **Product Line:** Curtain Controller
- **Installation:** Professional
- **Application:** Smart curtain control
- **Options:** Multiple controller configurations

ROLLER SHADE CONTROLLER

- **Variants:** Mechanical Limit & Electronic Limit
- **Product Line:** Roller Shade Controller
- **Installation:** Professional
- **Control:** Roller shade automation
- **Limit Type:** Mechanical / Electronic

REMOTE

- **Variants:** Handheld, Wall Mount & Premium Handheld
- **Product Line:** Remote
- **Installation:** Professional
- **Control:** Wireless curtain & shade control
- **Options:** Handheld and wall-mounted configurations

SHADING

CURTAIN DRIVER

- **Variants:** Track Version & Rod Version
- **Product Line:** Curtain Driver
- **Installation:** Professional
- **Application:** Automated curtain movement
- **Configuration:** Track / Rod compatible

ROLLER SHADE DRIVER

- **Variants:** Windproof Exterior Blind & Skylight Blinds
- **Product Line:** Roller Shade Driver
- **Installation:** Professional
- **Application:** Automated roller shade control
- **Use Cases:** Exterior blinds & skylight blinds

SMART SECURITY

Protection for Every Space.

AIROMOTION Smart Security Offers a complete range of intelligent security solutions designed to protect what matters, monitor what's important, and give you total peace of mind.

SMART DOOR LOCK

- **Variants:** Standard, Premium & Pro
- **Access:** Fingerprint, PIN & RFID
- **Locking:** Auto-Lock Timer
- **Security:** Tamper Alerts
- **Control:** Smart App Access

HD CCTV SYSTEM

- **Resolution:** Up to 4K
- **Vision:** Night Vision
- **Storage:** Cloud Storage
- **Monitoring:** Live App View
- **Detection:** Motion Detection

SMART VIDEO BELL

- **Video:** HD Video Monitoring
- **Audio:** Two-Way Communication
- **Detection:** Motion Detection
- **Recording:** Cloud Recording
- **Recognition:** Face Recognition

GATE AUTOMATION

- **Gate Types:** Sliding & Swing Gates
- **Operation:** Automatic Gate Control
- **Access:** Smart Remote Access
- **Control:** App & Remote Control
- **Safety:** Obstacle Detection

ENERGY MANAGEMENT

Smarter Energy. Better Living.

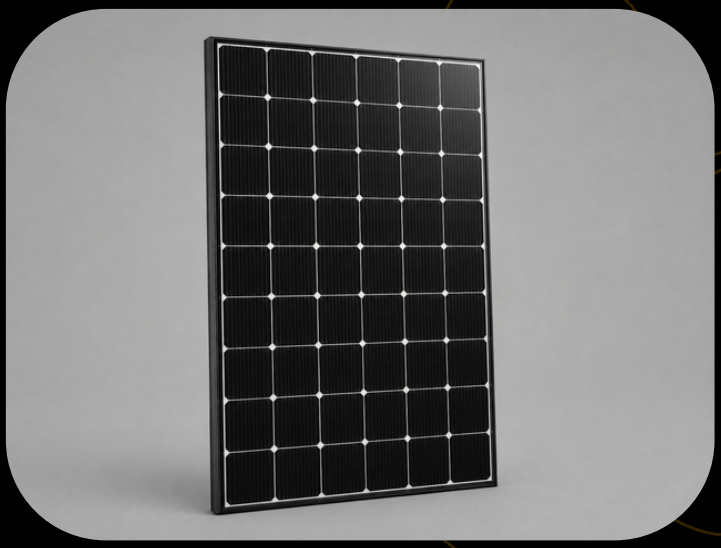
AIROMOTION energy management solutions help you monitor, control and optimize energy usage in real-time. Reduce waste, lower costs and build a sustainable, future-ready environment with intelligent automation.

Our Smart energy solutions provide complete visibility and control over your energy ecosystem. From real-time monitoring to automated optimization, we empower you to make smarter energy decisions every day.

SOLAR

SOLAR HYBRID UPS

- **Variants:** LT-300VA to LT-3000VA
- **System:** Solar Hybrid UPS
- **Capacity:** Multiple VA options
- **Application:** Home Backup
- **Operation:** Solar + Backup Power

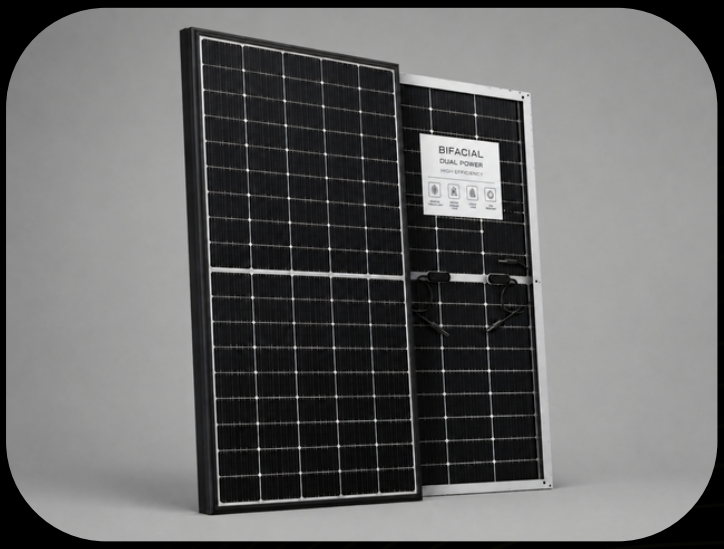


MONOCRYSTALLINE

- **Cell Type:** Monocrystalline
- **Efficiency:** High-Efficiency Solar Generation
- **Durability:** UV Resistant
- **Transfer:** High Current Capacity
- **Lifespan:** 25+ Years Outdoors

BIFACIAL MODULES

- **Module Type:** Bifacial Solar Panel
- **Generation:** Front & Rear Capture
- **Durability:** UV Resistant
- **Application:** Solar Power Generation
- **Lifespan:** 25+ Years Outdoors



LITHIUM-ION

- **Chemistry:** Lithium-ion
- **Storage:** Energy Storage System
- **Performance:** High-Cycle Performance
- **Management:** Integrated Battery Protection
- **Application:** Solar Energy Storage

DEEP-CYCLE

- **Type:** Deep-Cycle Battery
- **Application:** Solar Energy Storage
- **Service:** Low-Maintenance Design
- **Operation:** Regular Solar Cycling
- **Use:** Long-Duration Energy Storage

SOLAR DC CABLING

- **Rating:** Solar DC Rated
- **Protection:** UV Resistant
- **Installation:** Outdoor Suitable
- **Application:** Solar Power Transfer
- **Design:** Efficient DC Connectivity

CONDUIT & HARDWARE

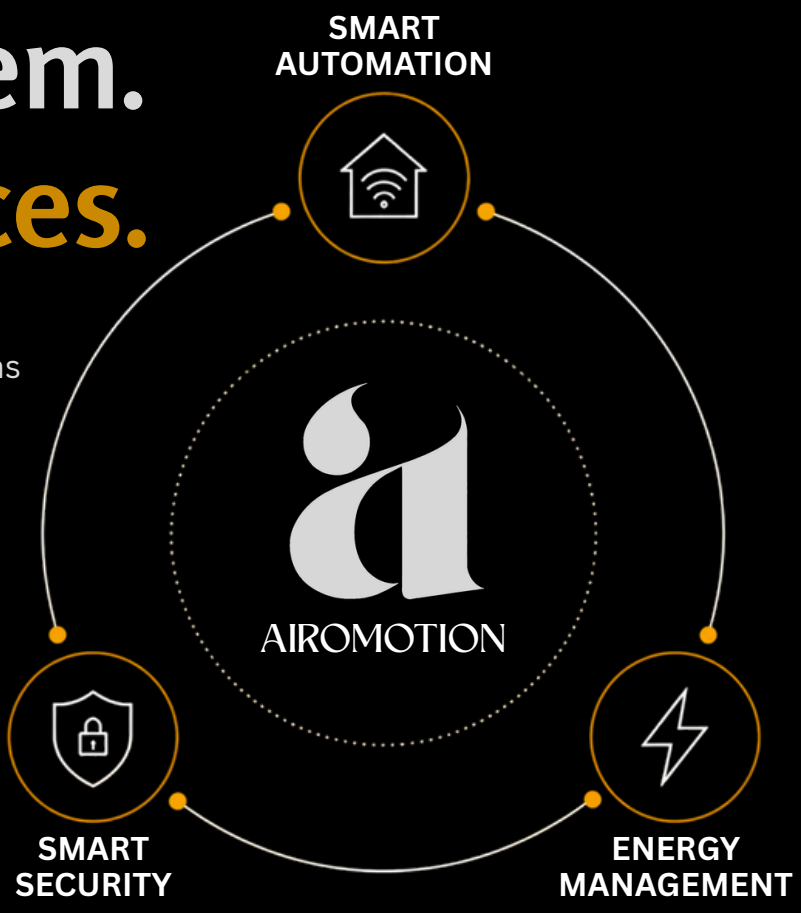
- **Protection:** Weather Resistant
- **Application:** Cable Routing
- **Installation:** Professional Grade
- Use: Protected Wiring
- **Components:** Conduits, Fittings & Hardware

SMART SOLUTIONS

One Ecosystem. Smarter Spaces.

AIROMOTION energy management solutions help you monitor, control and optimize energy usage in real-time. Reduce waste, lower costs and build a sustainable, future-ready environment with intelligent automation.

Our Smart energy solutions provide complete visibility and control over your energy ecosystem. From real-time monitoring to automated optimization, we empower you to make smarter energy decisions every day.



BUILT FOR EVERY SPACE

01 SMART HOMES

- Complete home automation
- Advanced security & surveillance
- Energy monitoring & saving

02 APPARTMENTS & VILLAS

- Centralized automation & control
- Secure access management
- Energy optimization

03 HOTELS & HOSPITALITY

- Guest room automation
- Smart access for staff & guests
- Efficient energy management

04 COMMERCIAL SPACES

- Smart automation for workspaces
- Integrated security solutions
- Real-time energy monitoring

05 RESIDENTIAL COMMUNITIES

- Gate & access automation
- Surveillance & safety management
- Centralized control & monitoring
